

FIRST-YEAR B.TECH CSE
ASANSOL ENGINEERING COLLEGE

PERSONAL / OFFLINE REFERENCE

Find the official route *before* the deadline finds you.

An evidenced field manual for the links, people, first-year course structure and time-sensitive notices a new AEC CSE student needs most.

01

FIRST ACTION

Fast route: official links & portals

AEC identifies itself as established in 1998, AICTE-approved, MAKAUT-affiliated and UGC 2(f)-recognised. Use AEC for college-specific information, MAKAUT Exam for university examination notices, and the current MAKAUT NEP index for curriculum. [\[01\]](#) [\[02\]](#) [\[03\]](#)

⚠ Do not use a random “ERP” link forwarded in a chat group. AEC’s public navigation shows “Student Login,” but no stable official ERP URL was verified. Ask during induction or route through the AEC central contact. Never share passwords, OTPs, registration numbers or fee-payment credentials through a third-party form.

ACADEMIC MAP

First-year CSE curriculum

MAKAUT's current NEP index lists B.Tech CSE, Course Code 001, effective from AY 2026–27 and last updated 21 August 2026. Its linked PDFs explicitly call first-year common across B.Tech programmes and put CSE in Group A. ^[06] ^[09] ^[10]

IMPORTANT BATCH CHECK

“R25” is not automatically the same thing as the AY 2026–27 document.

If you entered in another academic session, confirm the applicable batch document with AEC before treating a course code, credit count or calendar date as binding.

SEMESTER I

20 credits

Physics, Physics Lab, Engineering Graphics & Design and Indian Constitution sit with CSE/allied Group A.

- ✓ Mandatory, non-credit: a three-week Induction Programme with Universal Human Values precedes Semester I.

SEMESTER II

24 credits

CSE/allied Group A rotates to Chemistry, Chemistry Lab, Workshop Practice and Indian Knowledge System.

Optional exit: 28 credits apply only for the UG Certificate exit path, which additionally requires 4 work-based vocational / summer internship / apprenticeship credits. ^[10]

What is not public yet: the current official index showed no CSE documents for Semesters III–VIII on the research date. Do not silently substitute an older archive. ^[06]

KEY CSE ENTRY COURSE - 26-ES-CS201

Programming for Problem Solving *and* Introduction to AI

This Semester II course assumes no prior programming. The official map moves from computer basics and algorithms through C, functions, pointers, files, search/sort and basic algorithm efficiency—then closes with AI concepts, agents and applications.

ASSESSMENT

CA 30 + ESE 70

At least half of Groups B and C involve writing or reading C code; one Group C question covers AI. [10]

03 TIME-SENSITIVE

Calendar, assessment & exam checkpoints

The MAKAUT Academic Calendar is explicitly **provisional**. Its latest official notice overrides this static reference. Keep the routine, AEC circular and fee/form-fill-up acknowledgement together. ^[03] ^[14]

PRESSURE-PROOF ROUTINE

01. Save every CA date once AEC publishes its internal schedule. • 02. Monitor attendance well before the eligibility-upload window. • 03. Capture the official notice that changes your deadline.

04

STUDY INFRASTRUCTURE

Library, e-resources & skills routes

AEC's Library page advertises computing titles including *Cloud Computing*, *Practical Statistics for Data Scientists*, *Compilers: Principles, Techniques & Tools* and *Computer System Architecture*. It exposes book/e-copy requisition forms and provides the OPAC workflow. ^[04]

WEB OPAC WORKFLOW

- 01 Obtain your AEC username and password.
- 02 Log in to Web OPAC.
- 03 Choose title, author or subject.
- 04 Search, then record item details.

MOOC CREDIT

Integrated into both semesters

MOOCs / Skills appear as official skill-enhancement courses in Sem I and II. Confirm current approved course and submission procedure with AEC first.

Placement record: published figures & conflicts

AEC's homepage and Shiksha align on a 2023 aggregate summary of ₹22 LPA highest and ₹4.92 LPA average, with 500+ offers and 250+ recruiters reported by Shiksha. Another AEC-submitted profile hosted by WBJEEB gives different maximum CTC figures. ^[01] ^[15] ^[16]

FIGURE CONFLICT

For 2023, the WBJEEB-hosted AEC-submitted profile says ₹23 LPA; AEC's homepage and Shiksha say ₹22 LPA. This guide does not choose a number. Quote the reporting basis and re-check the newest official placement report.

YEAR / BASIS	PLACED	HIGHEST CTC	AVERAGE / MEDIAN	EVIDENCE & CAUTION
2024 – ongoing	81%	₹30 LPA	₹5.02 LPA avg.	AEC-submitted profile hosted WBJEEB; WBJEEB states it do not verify institute-supplied
2023	83.76%	₹23 LPA	₹4.92 LPA avg.	AEC-submitted profile hosted WBJEEB.
2022	83.44%	₹29 LPA	₹4.80 LPA avg.	AEC-submitted profile hosted WBJEEB.
2023 – aggregate	Not stated	₹22 LPA	₹4.92 LPA avg.	AEC homepage + Shiksha agr ₹22 LPA / ₹4.92 LPA; Shiksha reports 500+ offers and 250+ recruiters.
NIRF-derived UG outcomes	59% / 72% / 78%	Not stated	₹3.82 / ₹4 / ₹4 LPA median	2021–22 / 2022–23 / 2023–24, Shiksha transcription of NIRF Report 2025; not comparable campus-interview figures.

AEC's direct "Placement Report — 2025 Batch" PDF was not independently readable in this research because the source presented a certificate error / anti-bot page. Search snippets showed a branch table, but it is not reproduced here.

PAYMENTS & STAY

Fees, hostel & practical campus reference

The detailed sem-wise CSE fee schedule found was an AEC-submitted profile hosted by WBJEEB; the document says its information is not independently verified by WBJEEB. It is a reference—not a demand notice. Confirm the current semester amount and payment procedure with AEC. ^[16]

CSE FEE REFERENCE

₹701,800

Calculated eight-semester total from the listed figures.

Semester 1	₹103,525
Semester 2	₹70,825
Semester 3	₹87,825
Semester 4	₹87,825
Semester 5	₹87,825
Semester 6	₹87,825
Semester 7	₹88,325
Semester 8	₹87,825
8-semester calculated total	₹701,800

HOSTEL REFERENCE

600 boys' + 400 girls' seats listed.

The AEC-submitted profile gives those seat counts. AEC's homepage separately describes three boys' and two girls' hostels, with AC/non-AC

rooms for about 1,000 students. No dedicated hostel phone/email was verified; the Library page links the admission form. ^[01] ^[04] ^[16]

[Open hostel form route ↗](#)

FEE SCOPE CONFLICT

AEC's homepage gives a broad B.Tech estimate of around ₹1.04 lakh/year and ₹3.25–6.1 lakh total. It does not reconcile with the detailed CSE schedule. Keep the difference visible and reconfirm before payment. ^[01] ^[16]
